

Ministry of Rural Development

183 project proposals have been approved across 29 States/UTs under start-up village entrepreneurship programme (SVEP)

These projects cover 160 districts and 205 blocks across country

Posted On: 03 AUG 2021 5:37PM by PIB Delhi

The Ministry is implementing the Start-up Village Entrepreneurship Programme (SVEP), as a sub-scheme under Deendayal Antyodaya Yojana - National Rural Livelihoods Mission (DAY-NRLM) since 2015-16. Under this programme, block is the unit of implementation. As on 30th June, 2021, 183 project proposals have been approved across 29 States/Union Territories across the country. These projects cover 160 districts and 205 blocks. SVEP allows for more than one block to be combined under one project.

A mid-term review of SVEP was carried out during 2018-19 by Quality Council of India (QCI), which indicated that the programme was able to meet the objectives. Some of the key findings were:

- i. 82% of entrepreneurs across the blocks reported being from Scheduled Caste, Scheduled Tribe and Other Backward Class categories.
- ii. 75% of the enterprises were owned and managed by women.
- iii. 57% of the total household income is through the enterprises promoted under SVEP.
- iv. Average gross income of the entrepreneurs is higher than the aspirational income stated by them from the enterprise at the time of starting the enterprise.
- v. Around 96% of the entrepreneurs reported an enhancement in savings.
- vi. 70% of the entrepreneurs interviewed reported that taking loans from Community Enterprise Fund (CEF) was easy.

The number of enterprises supported in Blocks during the last three years and current year States/UT wise is provided at **Annexure**.
