1. Preamble

- 1.1 Bihar is progressing fast on the track of development, with unrelenting efforts being made towards strengthening infrastructure and promoting industrial growth. Government of Bihar is committed to improve competitiveness of the state's economy and achieving inclusive growth. This can be realized by promoting innovation and creating an ecosystem that nurture startups from concept to commissioning.
- 1.2 Bihar has the advantage of a demographic dividend given the high proportion of youth in its population; there are limited employment opportunities for them to make productive economic contribution. Youth grow in a job-oriented society where entrepreneurship is not seen as a career option. Moreover, the current educational system is designed in a manner that places limited emphasis on entrepreneurship.
- 1.3 One of the most exciting features is the ability of these Startups to rapidly build scale and become global players. The chances of success are greatly increased when these businesses are supported with an appropriate eco system. Bihar has an opportunity to develop its own world class eco system, the talent; resources and ambition are most certainly present in the State. Startups are expected to play a vital role in the emergence of the Bihar economy. The development of this segment is most critical to meet the national imperatives of financial inclusion and generation of employment across urban, semi-urban and rural areas across the State. The new wave of Startups will act as a catalyst to bring about this socio-economic transformation.
- 1.4 In order to unlock the innovation potential of Bihar, a need of conducive and friendly Startup policy has been realized. With this policy framework along with private participation, the Government aims to enhance the depth and breadth of startup ecosystem in Bihar. Hence accelerating GSDP growth, contribute to the creation of thousands of jobs, counteract the process of brain drain and rejuvenating the next wave of economic growth in the State.

- 1.5 Government of Bihar formulated and notified Bihar Startup Policy, 2016 vide Resolution No. – 1849 dated 7th September, 2016. This is to create an independent and transparent eco system, where the State shall provide funding, promotion and policy support. The State has setup a Trust, with an initial corpus of INR 500 Cr., which acts as the nodal agency for implementation of this policy.
- 1.6 The State Government received very promising feedback including areas of improvement in implementation of the policy from various stakeholders. In order to address the feedback received and further strengthen the policy, Government of Bihar repeals the Bihar Startup Policy, 2016 and promulgates the Bihar Startup Policy 2017

2. Vision

- 2.1 The vision for the Bihar Startup Policy, 2017:

“To enable Bihar emerge as the most preferred destination for start-ups and entrepreneurs by leveraging the potential of local youth through a conducive startup ecosystem for inclusive growth in the State”

- 2.2 Bihar Startup Policy has been designed on following four pillars (YUVA)

YES to Start-ups (Awareness, Networking and Mentoring Campaign)

Unleash Regulatory Enablers for Supporting Start-ups

Vibrancy in Education System to encourage and facilitate Start-ups

Access to financing & incubation support

- 6.1 Startup means an entity, incorporated or registered in Bihar not prior to five years with an annual turnover not exceeding INR 25 Cr. in any preceding financial year, working towards innovation, development, deployment or commercialization of new products, processes or services driven by technology or intellectual property.

- a. Provided also that an entity shall cease to avail further benefits under this policy if its turnover for the previous financial years has exceeded INR 25 Cr. and/ or it has completed 5 years from the date of incorporation/ registration unless the context otherwise stated;
- b. Provided that such entity is not formed by splitting up, or reconstruction, of a business already in existence and should not have been formed by the demerger or reconstitution of a business already in existence;
- c. Provided that such entity is not a holding company and it is not a subsidiary of any firm already in existence or except the subsidiary of any startup;
- d. Provided further applicable taxes from the operations of the company are payable in Bihar.

6.2 **Certification of Startups**

All applications of potential startups received by the Trust shall undergo a preliminary examination by a committee set up by the Trust headed by the Principal Secretary/ Secretary, Industries Department. After preliminary examination a list of shortlisted applications shall be tagged to the concerned subject related incubators. The List of all such tagging (applicants with incubators) shall be approved by the Trust. The Incubators after the incubation process shall prepare a proposal on the following issues:

- a. The amount of funding assistance required at various stages
- b. Any requirement of common infrastructure or other infrastructure created under this policy.
- c. Any assistance as envisaged under this policy.
- d. Business Plan.

The list of such recommendations/proposals of the incubators shall be placed before the Expert Committee as mentioned in para 11.6. The Expert Committee shall examine these recommendations and

recommend for certification of startups. The Trust on the recommendation of the Expert Committee shall certify Startups. It is only after this certification that the startups shall be eligible for financial incentives under this policy.

When the Government or its representative entity exits its investment; the right to nominate a representative director on the board of the start-up will also be extinguished.

7. **Yes to Start-Up**

7.1 **Promoting Awareness “Udyami Bihar, Samridh Bihar Campaign” and Facilitating Networking Platform for Startups**

Bihar has the advantage of a demographic dividend given the high number of youth in its population and there are limited employment opportunities for them to make productive economic contribution. Youth in India grow in a job-oriented society where entrepreneurship is not seen as a career option. Moreover, educational system is designed in a manner that places limited emphasis on entrepreneurship. Government is committed to encourage entrepreneurship as an education and career both, for the youth across all economic and social segments of the population. It is essential to foster a culture that positively values entrepreneurs as a crucial factor to achieve inclusive economic growth. In order to reform the cultural

perception of society towards entrepreneurship and inculcate entrepreneurial culture amongst youth, Government shall:

- a. Launch Startup outreach and awareness campaign “Udyami Bihar, Samridh Bihar” at State level in collaboration with startup stakeholders
- b. Recognize and promote achievements of successful local startups by organizing 'Entrepreneurship Awards'.
- c. Organize state level challenges/business plan competitions
- d. Support business networks (Industry Associations/Organizations promoting Startups) to organize startup awareness activities such as startup fairs

7.1.1 A proper networking amongst various stakeholders' viz. investors, academia, industry and other stakeholders is critical for an effective startup ecosystem. The startup community needs a platform to inter communicate at a national and international level to exchange and collaborate amongst each other.

7.1.2 Government for creating an effective startup ecosystem shall organize 'Bihar Startup Fest', a platform to amalgamate the startup ecosystem and provide visibility to State startups.

7.2 Assistance for Idea Development

Conducive startup ecosystem enables youth to convert their ideas into meaningful propositions. A proper guidance system is essential for youth to express and enhance their ideas. In order to spread awareness and provide guidance to potential entrepreneurs, State shall provide financial assistance to facilitate:

- a. Setting up Entrepreneurship Development Cells in Divisional towns and Nagar Nigam(s) in collaboration with Education Institutes, Bihar based industrial associations/organizations promoting startups.
- b. Setting up Entrepreneurship Facilitation Centers at Educational & Professional Institutes.

7.2.1 These Cells/Centers shall:

- a. Organize various promotional events to disseminate awareness about entrepreneurship and promote startup culture in the state under “Udyami Bihar, Samridh Bihar Campaign”.
- b. Provide assistance to students/potential entrepreneurs for presenting and enhancing their idea to various stakeholders of start-up ecosystem viz. Government, education institutes, incubators, industry experts, legal, tax and business consultants.
- c. Support startups for preliminary mentoring and business plan support, company registration, market research support, business structuring advisory and management consultancy.

8. Unleash Regulatory Enablers for supporting Startups

8.1 Setting up comprehensive one stop portal for Startup- Ecosystem in Bihar

Statutory clearances from relevant regulatory authorities are pre-requisite for a start-up to commence operations. Limited awareness of the processes increases the turnaround time for registration, hence delays the commencement of operations for the Startups. A single window clearance system supported by interactive training manuals and checklist would enable Startups to register themselves in an easy and timely manner.

Start-up ecosystem needs a single platform for interaction and collaboration with each other. In order to establish a single platform for interaction and information sharing of various stakeholders, a Startup Bihar portal shall be launched. This portal shall provide instant accessibility to startups for:

- a. Accessing interactive tutorials for registration process and checklist for the various clearances required with specified timelines.

- b. Registering with relevant authority and filling various State Level compliances at State level through standardized forms.
- c. The portal shall also be integrated with other Government of India sponsored Startup Portals for connecting with various stakeholders of the ecosystem.
- d. Interacting and collaborating with various stakeholders viz. Registered network of mentors and professional experts, incubators, academia, empanelled Project Management Consultants and angel investors, SEBI-registered AIFs (Alternate Investment funds) and other stakeholders.
- e. Empanelled mentors of networks to startups having potential for growth and scalability.
- f. Accessing various State Government Schemes and Incentives available for Startups.

The portal shall also be made available in form of a mobile app and supported by a Toll free helpline to facilitate application/ assistance. Clearances for registration/ application shall be ensured in a time bound manner.

8.2 **Optimizing Regulatory Framework- Enabling regulatory environment for Startup Ecosystem**

Starting up a business involve getting various stages of departmental approval and clearances. Most of the startups are unaware of the complex policies and regulatory framework, which may hinder their regular operations. Therefore, it is imperative for Government to minimize the regulatory compliances, punitive actions and provide support /awareness to these propellers of next stage economic growth.

In line with above, Government shall enhance the ease of doing business by minimizing inspections and encouraging self-certifications:

- a. Startups shall be exempted from licensing/registration for

operations under various State Acts for a period of 5 years. However, Statutory Licenses (such as Drug License, FSSAI, Building Plan, Fire Fighting) shall be required to be obtained by the startup if its nature of business/activity may lead to potential threat to life and safety, in such cases Government shall bear the cost of license(s).

- b. Startup shall be exempted from inspections by Government Regulatory Agencies for a period of five years unless there is threat to life and safety. In case a unit has to be inspected for certain reasons the permission of the District Magistrate shall be obtained.
- c. Self Declaration shall be submitted by Startups annually as per the format prescribed by State Government.
- d. State Government Departments/ PSUs shall be advised to give preference to Startups in procurement process for products/ services
- e. State Government shall allot 10% of spaces in forthcoming industrial parks, SME Clusters and Hub for Startups/Incubators/ Common Shared Infrastructure on preference.

9. Vibrancy in Education System

Education institutes provide an apt environment for introducing and educating entrepreneurship for promoting the culture of innovation. Government recognizes the importance of reforms in education for creating entrepreneurial spirit amongst students.

In order to promote startup culture and innovation in youth of Bihar, Government shall facilitate/recommend following interventions:

- a. Embed Entrepreneurship modules in high schools, university, skill training, and vocational training institutes' curriculums/ programs. Education institutes will be suggested to introduce Massive Open Online Courses (MOOCs) as electives and make internships/apprenticeship mandatory.

- b. Education / Professional Institutes shall be supported to formulate Entrepreneurship Facilitation Centre to guide and assist students to pursue entrepreneurship.
- c. Organize Business/Innovation Idea Competitions amongst students. Shortlisted ideas shall be provided support for prototyping and will be showcased in Start-up Fest organized by the State.
- d. Organize social innovation challenge through Entrepreneurship Development Cells to provide challenge grant to 20 social innovators to support their ideas.

10. Access to Funding and Incubation Support

10.1 Facilitating Incubation Centers for Startups

Incubation centers are crucial for nurturing promising Startups. They provide access to mentoring network, market network, shared physical infrastructure etc. Creation of Physical Infrastructure generally requires large capital investments. Considering this, following incentives/financial assistance shall be provided to startups:

- a. Financial assistance for setting up of new incubators and expanding State supported Incubators.
- b. Reimburse cost of incubating a startup maximum up to Rs 2 Lakhs per incubatee to Government recognized private / state supported incubators.
- c. Fiscal incentive to Incubators @2% of the investment received by its incubatee from SEBI registered AIFs (Alternate Investment Funds) into Bihar based startups.
- d. Fiscal Grant to State Supported Incubators @3% of the investment received by its incubatees from SEBI registered AIFs (Alternate Investment Funds) or Grant received from Government of India for promoting technology based (IPR) startups and @5% for startups in social sectors providing

solutions to public service access problems in Bihar in areas like health, education and nutrition etc.

- e. The Government shall provide financial assistance to match the funding raised by Incubator(s) from Government of India and Multilateral donor agencies on 1:1 basis on same terms and conditions.

10.2 List of State Supported Host Institutes

- b. The Trust shall facilitate listing and public issue of Startups in collaboration with National Level Stock Exchanges such as BSE/ NSE.

Incentives/ provisions under Bihar Industrial Incentive Policy in force will be available to startups. However the incentive for the same component cannot be claimed from more than one scheme.

Efforts will be made to leverage relevant benefits available under various schemes of Government of India.

10.6 **Zero Cost for filing patents – Domestic and Foreign**

Intellectual Property (IP) is an invaluable business tool for startups, or entrepreneurs, providing initial start to one's business. IP gives an exclusive right to the creator over the use of his/her'

creation for a certain period of time. With increasing new avenues in businesses, “the Intellectual Capital” has become one of the key wealth drivers in present era. In today's competitive and dynamic environment, IP can be unique selling proposition (USP) of the product or service allowing high entry barrier for startups to grow faster than competitors. Investors weigh IPs heavily and create good value for venture.

In order to encourage the registration of IPRs (Intellectual Property Right) by Startups and provide facilitation support for protection and commercialization of IPRs, Government shall:

- a. Bear all costs associated towards filing domestic patents.
- b. Provide additional financial assistance in form of reimbursement for awarded foreign patents towards filing fees.
