

Hrishi Gandhi

President Finance & Chief Business Officer

Veteran Investment Banker Shaping NRT's Future with Strategic Finance Leadership

Hrishi Gandhi brings a wealth of experience (23+ years) in investment and corporate banking across diverse sectors to his role as President Finance & Accounts at NewSpace Research and Technology Pvt Ltd. He boasts a successful track record of leading 45+ M&A, private equity, and capital market transactions, both domestic and international.

At NRT, Hrishi spearheads the core finance function, investor management, strategic projects, and compliance. He also manages banking relationships, investor reporting, and M&A activities. His network spans private and public players in the defense sector, as well as VC/PE/HNIs/Family Offices.

Beyond finance, Hrishi leads NRT's initiative to establish Civilian UAV-based Logistics, demonstrating his forward-thinking approach.

Previously, Hrishi served as President – Investment Banking at YES Bank and held leadership positions at IL&FS, handling infrastructure and transportation-focused transactions. Hrishi has also worked with ICICI Bank, GE and Reliance Industries.

He is a chartered accountant, a regular speaker at industry events, and holds a Bachelor of Commerce degree.
