

Moni Bajaj

Founder & CEO – Sustainique Global Pvt. Ltd.

Chartered Accountant | ESG Strategist | Sustainability Entrepreneur

Moni Bajaj is a Chartered Accountant and founder of **Sustainique Global**, a multi-vertical venture integrating **ESG consulting, digital sustainability tools, and eco-conscious products**.

She works with businesses, NGOs, and startups to drive ESG compliance, BRSR reporting, and digital-first transitions through practical, impact-focused solutions. Moni is a faculty member for ICAI's Certificate course on Sustainability & BRSR and India's representative in the **IFAC's Young Leaders Collective**, contributing to global sustainability conversations.

She actively collaborates with changemakers, impact investors, and forward-looking companies to co-create solutions that make sustainability both scalable and profitable..
